

I want to take the opportunity to introduce myself and let you know who I am, as we embark on this new journey together!

My name is Keira Yetter, Preschool Director for Genesis Prep Christian Academy. I'm excited to be a part of the Genesis family and this new God-led endeavor! It's amazing how God works in the lives of His people, surrendering to His will for their lives. I was not looking to return to work, however open to what God had for me.

I spent 12 wonderful years as the Sr. Administrative Assistant to the Director at the NIC Children's Center. During that time, I whole-heartedly embraced the philosophy and the approach of teaching young children that I decided to pursue my degree in early childhood education. Through my daily connection and interaction with children and families, to include my student teaching in the classroom, I found myself loving and thriving in this environment. Working full time and being a part time student, I eventually graduated with my Associates in May of 2009!

One of my deepest desires was to become a mom and in December of 2009, God answered my prayer and I was pregnant with my first child! Meah was born September 5, 2010 and my priorities shifted. I continued to faithfully serve in my role at the children's center but my heart was to be home with my daughter. Again, God made a way and in June of 2013 I ended my work with NIC and became a full-time mom.

That transition included my husband Matt of 18 years, being hired full-time with Real Life Ministries as the Recovery Pastor. In addition, coming home allowed me to be more available with my time and energy into coming alongside Matt and serving more faithfully in the Recovery ministry.

Matt and I have been with Real Life for 8 years, serving as home group leaders/coaches, to facilitating recovery small groups, to leading the Purity ministry. In addition to Meah, I have been overwhelmingly blessed with four step-children who have given us 7 beautiful grandchildren!

I thank you for this opportunity to be a part of your child's life. I consider it a privilege and honor to serve your family and I look forward to the journey!
